

It's Easy to Enroll

Contact us for a free consultation to learn how our adult day services can improve and enhance the quality of life for adults, age 60 years or older in need of daily assistance, and their caregivers.

For more information, please call 419-214-0824.

The steps are simple:

1. We receive a referral from a caregiver or case manager.
2. The prospective client grants us permission to contact the Primary Care Physician to obtain pertinent medical information.
3. We meet with the family to assess the services needed, and discuss cost and payment options.
4. We arrange for the first day of service and welcome you to our program.

Genacross adult day services can be paid for through private pay, the PASSPORT Medicaid waiver program, or MyCare Ohio insurance providers. For the most updated list of payer sources, please check with us.

The Adult Day Center features an easily accessible, covered drop-off and pick-up area. If needed, transportation to and from the center is also available (for a fee).
