## Genacross at Home

HELPING YOU HEAL WITH  
PERSONALIZED IN-HOME CARE

We understand that home is where you want to be for your recovery. It's where you feel comfortable and secure. It's where you can relax and heal more quickly. Sometimes, however, you may need a little help. That's why Genacross at Home is here to support your desire to recover from an illness or injury in the familiar surroundings of home.

We provide skilled home health care that includes:

- **Pre-discharge consultation** for a seamless transition from an inpatient setting to home.
- **Skilled nursing care** for care coordination, monitoring of vital signs, medication administration, dressing changes and more.
- **Physical, occupational and speech therapies** for regaining strength and restoring function.
- **Medical social services** for psychosocial assessments, connecting you with community resources, assessing eligibility for public assistance, and providing counseling and crisis intervention.
- **Aide services** for assisting with bathing, dressing and activities of everyday life.

Our home health care team creates a personalized care plan to meet your recovery needs. We listen to you and your family and work with your physicians to help you regain your independence and quality of life.

### 160 Years of Helping Others

A Christian organization supported by nearly 170 Lutheran congregations across the region, Genacross Lutheran Services has been serving and inspiring people in need for over 160 years. We now serve approximately 3,500 people throughout northwest Ohio and southeast Michigan. In addition to home health, our service lines include youth services, mental health counseling, therapy services, affordable housing and senior living options.

Genacross is a nonprofit 501(c)(3) organization supported by donations to the Genacross Lutheran Services Foundation.

## Advantages of Genacross at Home

- Patients generally recover faster when they recuperate in the comfort of their own homes.
- Home health care is often less expensive than treatment in a hospital or skilled nursing care facility.
- In many cases, home care can be more convenient than, and just as effective as, other inpatient treatment options.
- One-on-one patient care is personalized to your needs.
- The cost of home health care is covered by Medicare, Medicaid and most private insurance plans.

## Expert, Compassionate Care

Our Genacross at Home staff members are here to promote more than physical healing. Through our compassionate care and services, we want to support your psychosocial and emotional needs as well. Whether you're recovering from surgery or dealing with a chronic illness, our caring and professional home health staff will also provide motivation, encouragement and health education. We want you to become independent in your care and live the fullest and most enriching life possible.

Staff members are selected for their professional qualifications and genuine concern for your happiness and health.

### Our Genacross at Home team includes:

- Registered nurses
- Licensed practical nurses
- Physical therapists
- Occupational therapists
- Speech therapists
- Licensed independent social workers
- Home health aides

Our caregivers are highly trained, state licensed and certified, and thoroughly screened, so you can trust them coming into your home.
